

Eastern Health Respiratory Assessment Clinic

50 MUNDY POND RD, ST.JOHN'S, NL

Phone 709-777-9065

Fax 709-752-4732

Starting Monday, Feb 15, 2021: Monday-Friday, 8 AM – 4 PM

(Extended weekend or after hours will be determined based on community need.)

Healthcare practitioners may refer patients by completing the online referral form (ch-2139 attached) and fax to (709) 752-4732 or emailing to ili.mundypond@easternhealth.ca. Patients will be contacted with booking information and instructions within 24 hours.

Clinic is REFERRAL-ONLY for non-urgent respiratory illnesses as follows:

- Positive or suspect ILI/Covid-19 patients
- Non-urgent ILI/Covid-19 symptoms and
 - o Require a physical assessment by a physician
 - o Require an intervention similar to what they would receive at a family physician practice

*If patients do not require a physical assessment, they can access the government Self-Referral and Assessment Tool at: <https://covidassessment.nlchi.nl.ca/> If patients do not have access to online services they may contact 811 directly.

Note: There are no diagnostics available at this clinic. Please follow established Pathways for lab, EKG, Diagnostic Imaging, etc. Urgent patients exhibiting signs of respiratory distress are NOT appropriate for referral.

We look forward to working together to help our patients and communities!
