

COVID-19 Update

Employee and Physician Information

Update from CEO and Emergency Operations Centre (EOC) March 24, 2021

General update

- There was one new COVID-19 case confirmed in the province today in the Eastern Health region. There are now 3 active cases in the province. Please see pandemic hub for up to date information [here](#).
- The Chief Medical Officer of Health announced today that the province will move to Alert Level 2 as of 12 a.m. on March 27. The impact to health services delivery in our region in Alert Level 2 will be determined over the next couple of days.
- Today it was announced that Indigenous adults in the province may now pre-register for COVID-19 vaccination, in addition to individuals older than 70, and home care workers who are employed by an agency or client of the Provincial Home Support program (see link for pre-registration [here](#)).

Human Resources Update

- As a health care worker, you may need this now more than ever. Take a well-being screening anytime, anywhere at [CheckitOuNL.ca](https://www.healthcarecheckin.ca) or watch this [video](#) to learn more.
- Please reach out for support if you need it. The Employee Assistance Program (EAP) can be reached at 1-866-784-5306.
- Please feel free to call the Toll Free COVID-19 Navigation Staff Line (1-833-920-0096) or email COVID19@westernhealth.nl.ca with your questions or inquiries.

Please see our [COVID-19 Intranet page](#) for more information.
