## Disposable Gowns

Supply Chain will be pulling the gowns listed in the picture below from all facilities today.

It has received new information indicating they may not be at the appropriate quality standards for which they are intended to be used. Until that can be confirmed, we will discontinue their use.

To help Supply Chain quickly collect them, please let your local Stores Dept know if there are other areas (outside common storage locations) where these gowns may be kept.

- Supply Chain will provide updates as this situation evolves.
- If you have additional questions please contact your Inventory Manager(s) within your Regional Health Authority or contact:
