Invitation to Virtual Annual General Meeting

Dear Colleagues,

I am pleased to invite you to attend our upcoming Annual General Meeting on June 5, 2021. Once again, the AGM will be delivered virtually this year and is open to all members. The activities will be scaled back to accommodate a virtual format; however, we aim to continue the important business of the NLMA and use this opportunity to debate resolutions and help the Association set policy that will shape our collective future direction.

Registration

Members can register by clicking here: [NLMA AGM 2021](#). **Registration will close at 5:00 p.m. on Friday, June 4, the day before the AGM.** To limit emails for those who will not be joining the virtual AGM, only registered delegates will receive relevant notifications and the link to participate.

Resolutions

Members are asked to **submit resolutions by end of day Friday, May 28**, for debate during the AGM's business session. Given the virtual format, resolutions will only be accepted in advance of the AGM, as it would be technically challenging to accept resolutions from the floor in an efficient and manageable manner. Movers of resolutions must join the virtual AGM with their seconder.

Resolutions can be submitted using the [Resolutions Submission Form](#).
