Re: *Interim Guidance: Case and Contact Management of COVID-19 Immunized Individuals Document*

The Public Health Branch with the Department of Health and Community Services has released the [Interim Guidance: Case and Contact Management of COVID-19 Immunized Individuals](#) document to provide case and contact management guidance for the public, inpatients and residents of residential care settings, and healthcare workers based upon exposure levels and immunization status.

Please retrieve updated public health documents as needed from the Provincial website (<https://www.gov.nl.ca/covid-19/>) to ensure you are viewing the most up-to-date version.

For any questions or concerns, please reach out to Communicable Disease Control: cdc@easternhealth.ca, Occupational Health: 709-777-7777, line 3, line 2, or email occhealth@easternhealth.ca, or your program's Infection Control Practitioner.

Report all potential communicable diseases to Occupational Health: 709-777-7777, line 3, line 2, or email occhealth@easternhealth.ca.
