Re: Mandatory Vaccine Policy

Please see attached policy Eastern Health's Mandatory Vaccine Policy which will come into effect on December 17th, 2021.

Eastern Health is committed to maintaining safe workplaces for everyone. To ensure continued safety in our workplaces, as well as provide additional health protection Eastern Health has developed this policy outlining roles and responsibilities of all parties.

All employees who wish to be considered for a medical or non-medical exemption **must have advised their manager of the request by December 13th** to avoid being placed on an unpaid leave of absence as of December 17th, 2021.

Attached is a Frequently Asked Questions related to the policy. If there are any updates to the FAQ document, those updates will be circulated accordingly.
