

UPDATE: REGARDING UROLOGY CENTRAL INTAKE REFERRALS

The fax machine that receives patient referrals for Urology Central Intake at the Health Sciences Centre in St. John's is back online and operational following the Code Grey Disruption.

However, due to a marked backlog in referrals the Urology Department is **only able to accommodate emergent referrals** until January 4, 2022.

We appreciate your understanding during these difficult times.

If you have questions or concerns related to a specific referral, please call Urology Central Intake at 777-7861.

Sincerely

Dr. Matthew Andrews MD, FRCSC
Division Head, Department of Urology
Eastern Health
